

2011 Community Futures Parkland Tourism Grant

Application Form

Tourism activities have significant economic impacts on the Parkland region and because of this Community Futures Parkland will be providing \$10,000 in grants to community groups in order to stimulate growth, new partnerships and local investment. A maximum grant of \$5,000 is available for the selected tourism projects. CF Parkland realizes that the Parkland's tourism industry creates employment and increases opportunities for economic development. This year will mark Community Futures' 11th year of commitment to the tourism sector and will also mark a tremendous milestone for the organization and region. **\$117,917** have been granted from CF Parkland to regional and community initiatives throughout the Parkland region.

Program Objective

The 2011 Tourism Grant is a competitive last resort program intended to support the tourism industry and development activities within the region through non-profit organizations. Priority will be given to tourism projects that foster economic growth and volunteer involvement through direct, financial and in-kind support. Projects must also demonstrate sustainability past the funding period. These initiatives must illustrate what type of positive impact it will have on the region such as job creation, increased spending or building community capacity for tourism businesses to develop and grow. Community Futures Parkland will focus on smaller tourism initiatives in the Parkland region.

Eligible applicants include: non-profit community development groups, tourism groups, economic development boards, all community service groups, Friendship Centers and conservation committees, with project plans that are directly applicable to tourism development and are located in the Parkland Region of Manitoba. Please feel free to add additional information (pictures, detailed proposals) to the application, if desired.
