

Questionnaire for Interviewing Community Groups

What is the purpose of your organization?

What type of community based project has your organization been involved in the past?

If none, then ask if there is a current community based project that they are currently working on or completing.

If they are running a program then ask, if not ask about old projects

- What was the process used to get the program/project running?
- How did you prioritize the project?
- Who was the project leader/champion?
- How many volunteers were involved? Were any of them youth?
- If so how many?
- If none why not?
- What were/are the benefits for young people to participate in these types of project?
- What was the timeline?
- Was it a success?

What was the most successful/least successful project that you have undertaken and why?

How does your community group identify the community needs when brainstorming for new projects?

Can you tell me about how your group originally started getting involved in the community?
